ENERGY STAR®, a U.S. Environmental Protection Agency program, helps us all save money and protect our environment through energy efficient products and practices. For more information, visit www.energystar.gov.

Dear ENERGY STAR® Displays Partner or Other Interested Party:

In follow up to a recent announcement that EPA will host an all-day in-person stakeholder meeting in Washington, D.C., to discuss the Draft 2 Version 6.0 specification, the meeting date has been changed to **Tuesday, September 27, 2011**. EPA invites all interested stakeholders to join. EPA is changing the meeting date after a scheduling conflict arose that would have precluded many stakeholders from attending the meeting, which was originally scheduled for September 20, 2011.

Please RSVP by email to displays@energystar.gov with the subject "RSVP - Displays September 27 Meeting."

If you have any questions, please contact Verena Radulovic, EPA, at radulovic.verena@epa.gov or (202) 343-9845, or Bizhan Zhumagali, ICF International, at bzhumagali@icfi.com or (202) 572-9448.

Thank you for your continued support of the ENERGY STAR program.

This message was sent to you on behalf of ENERGY STAR. Each ENERGY STAR partner organization must have at least one primary contact receiving e-mail to maintain partnership. If you are no longer working on ENERGY STAR, and wish to be removed as a contact, please update your contact status in your [MESA](#) account. If you are not a partner organization and wish to opt out of receiving e-mails, you may call the ENERGY STAR Hotline at 1-888-782-7937 and request to have your mass mail settings changed. Unsubscribing means that you will no longer receive program-wide or product-specific e-mails from ENERGY STAR.
