Dear ENERGY STAR® Imaging Equipment Partner or Other Interested Stakeholder:

The U.S. Environmental Protection Agency (EPA) welcomes your input on the attached Draft 1 Version 2.0 ENERGY STAR Imaging Equipment specification and supporting documents. The development of this specification is separate but related to the ongoing development of the imaging equipment test method, which is nearing finalization.

Stakeholders are requested to provide comments on the Draft 1 specification documents no later than **Thursday, March 1, 2012**. Please email comments to imagingequipment@energystar.gov. All comments received will be posted to the ENERGY STAR Product Development Web site, unless the submitter specifically requests that his or her comments remain confidential.

On **Wednesday, March 7, 2012** at 10:00AM Eastern Time, EPA will host an in-person stakeholder meeting in Washington, DC, to present details on the revisions made in the Draft 1 Version 2.0 ENERGY STAR Imaging Equipment specification and the data analysis performed to date. Stakeholder questions and concerns regarding the proposed changes will be addressed. If you wish to attend this meeting, please RSVP to imagingequipment@energystar.gov no later than **Monday, March 5, 2012**.

Please contact Christopher Kent at (202) 343-9046 or kent.christopher@epa.gov or Matt Malinowski at (202) 862-2693 or mMalinowski@icfi.com with any questions or comments regarding this specification revision.

Thank you for your continued support of ENERGY STAR.

This message was sent to you on behalf of ENERGY STAR. Each ENERGY STAR partner organization must have at least one primary contact receiving e-mail to maintain partnership. If you are no longer working on ENERGY STAR, and wish to be removed as a contact, please update your contact status in your MESA account. If you are not a partner organization and wish to opt out of receiving e-mails, you may call the ENERGY STAR Hotline at 1-888-782-7937 and request to have your mass mail settings changed. Unsubscribing means that you will no longer receive program-wide or product-specific e-mails from ENERGY STAR.
