Dear ENERGY STAR® Server Stakeholder:

The U.S. Environmental Protection Agency (EPA) is pleased to announce the release of the Draft 3 Version 2.0 ENERGY STAR Specification for Computer Servers. Draft 3 is attached and accompanied by a cover letter, updated test method, test method comment responses, Draft 2 comment responses, and the Version 2.0 Draft PPDS template. Stakeholders are encouraged to review these documents and provide written feedback via email to servers@energystar.gov by Friday, September 28, 2012.

EPA is planning to host a webinar to discuss Draft 3 on Thursday, September 20, 2012, at 11 AM Eastern Time. **To participate, please RSVP by emailing servers@energystar.gov by Monday, September 17th.** Webinar access instructions will be distributed to RSVPs prior to the meeting.

As a reminder, materials from the Version 2.0 server development process may be accessed on the ENERGY STAR website at www.energystar.gov/RevisedSpecs and follow the link to "Computer Servers."

Please direct any specific questions on the specification to RJ Meyers, EPA, at Meyers.Robert@epa.gov, or 202-343-9923; or John Clinger, ICF International, at John.Clinger@icfi.com, or 202-572-9432. For questions on the test method, please contact Bryan Berringer, DOE, at Bryan.Berringer@ee.doe.gov, or 202-586-0371.

Thank you for your support of the ENERGY STAR program.

This message was sent to you on behalf of ENERGY STAR. Each ENERGY STAR partner organization must have at least one primary contact receiving e-mail to maintain partnership. If you are no longer working on ENERGY STAR, and wish to be removed as a contact, please update your contact status in your MESA account. If you are not a partner organization and wish to opt out of receiving e-mails, you may call the ENERGY STAR Hotline at 1-888-782-7937 and request to have your mass mail settings changed. Unsubscribing means that you will no longer receive program-wide or product-specific e-mails from ENERGY STAR.
